well, to convert it... 1st off you don't say how big you are starting at so, Hum, it depends on what you start with, but Adobe Acrobat does a "minimal size", some times that can reduce a file. Adobe Illustrator & Photoshop & InDesign will allows som...

How to convert a PDF to a size of 1mb - Quora
If the largest file will be about 10 MB, we would recommend setting the upload_max_filesize to 12M (12 MB), the post_max_size to 13M and the memory_limit to 15M. Notice, they use M instead of MB. Uploads can contain a fair bit of text information in addition to the file itself so giving everything some breathing space is a good idea.

How to Increase the WordPress Maximum Upload File Size
File Station is a built-in QTS app that enables users to manage files stored on your QNAP NAS and in your cloud space. You can easily upload files from your computer, drag and drop files between folders, rename files, delete files, and configure file and folder permissions to prevent unauthorized access.

File explorer for QNAP NAS | File Station
I'm having the same problem this guy says he had: PHP still won't allow file uploads larger than 2 MB, although apparently he solved it. I, however, cannot find a solution. I've edited the php.ini file to the following values: upload_max_filesize = 20M post_max_size = 20M. I've even tried raising them to 200M, but it still limits it at 2M, according to phpinfo().

wamp - Why can I not upload files greater than 2MB? Php ...
But pdf file size is very large arround 4.2MB. Already try optimized pdf, the file size did not change. In "PDF Optimizer" --> "Audit space usage", it show font size used 4.2M. In "PDF Optimizer" --> "Fonts" it did not have any embedded fonts. 1. How to reduce files size? 2. Any tools/method can help to reduce size? 3.

Solved: Reduce PDF file size - Adobe Support Community ...
button to select the files you wish to upload (you may upload more than one file at a time by adding more fields). It is also possible to upload and decompress zipped files (rar/tar not supported). Zipped files will automatically be decompressed after upload. Please note that there is an upload limit for files using the web based file manager.
