3rd edition removes previous editions' restrictions on class and race combinations that were intended to track the preferences of the race, and on the level advancement of non-human characters. Skills and the new system of feats are introduced replacing non-weapon proficiencies, to allow players to further customize their characters.

I am currently working on the new expanded all-color third edition of FN Browning Pistols, Side-arms that shaped World History. I started in January and it has already been a fantastic journey. I figured I would post some updates and neat information here as I went along... I am aiming at getting this in production in December. Currently it is looking like 600+ pages but it is too early to tell.
