Download Free Crisp Writing Effective E Mail Revised Edition Improving Your Electronic Communication

Writing emails that are short and to-the-point will reduce the time you spend on email and make you more productive. By keeping your emails short, you'll likely spend less time on email and more time on other work. That said, writing clearly is a skill. Like all skills, you'll have to work at it. To begin with, it may take you just as long to write short emails as it took you to write long emails.

How to Write Clear and Professional Emails

14. Minimize Questions. Ask questions that matter, and limit the number of questions and favors you ask in an email (one or two max). The more questions (especially open-ended ones) asked in one sitting, the less likely you are to get a response, and the less likely all your questions will be answered.
