This retelling of The Three Billy Goats Gruff is set in south Texas where the goats must cross the Rio Grande to get to a Mexican fiesta where they are to play music. The troll is cast as a chupacabra, a mysterious creature of Mexican legend that supposedly sucks the blood from goats and other farm animals.

The Three Cabritos by Eric A. Kimmel

Describes a Jewish Community Center's efforts to adapt Gardner's multiple-intelligences theory to a preschool special-education program. Since most students had moderate speech disorders, teachers decided to deemphasize linguistic expression in favor of the other seven intelligences. They created successful units exploring patterns and size concepts using the "Three Billy Goats Gruff" fairy tale.

Erik Thorvaldsson (c. 950 - c. 1003), known as Erik the Red, was a Norse explorer, described in medieval and Icelandic saga sources as having founded the first settlement in Greenland. He most likely earned the epithet "the Red" due to the color of his hair and beard. According to Icelandic sagas, he was born in the Jæren district of Rogaland, Norway, as the son of Thorvald Asvaldsson.

art, english, fairy tales, music, science, technology. "The Three Billy Goats Gruff" is a Norwegian folk tale. Three goats want to visit a distant field to get some enticing green grass, but must cross over a bridge with a troll living under it. They go one at a time, from the youngest to the oldest. The troll threatens the first two goats, but each persuades him to wait for an older, fatter brother goat.

There were once three Billy Goats who lived in a meadow at the foot of a mountain, and their last name was Gruff. There was the Big Billy Goat Gruff, and the Middle-sized Billy Goat Gruff, and the Little Billy Goat Gruff. They all three jumped about among the rocks in the meadow and ate what grass they could find, but it wasn't very much.
