Imhotep is the titular antagonist in the 1932 film *The Mummy*. He was later featured in the 1999 remake and its sequel *The Mummy Returns* again as one of the main antagonists. Sofia Boutella plays a female version of this character named Ahmanet in the 2017 remake.

Imhotep (The Mummy) - Wikipedia

Demi-god, architect, priest, and physician, Imhotep (27th century BCE) was a real man, who is credited with designing and building one of the oldest pyramids in Egypt, the Step Pyramid at Saqqara. For nearly 3,000 years he was venerated in Egypt as a semi-divine philosopher, and during the Ptolemaic period, as the god of medicine and healing.

Biography of Imhotep, Ancient Egyptian Architect

Djoser ruled early in Dynasty 3, whereas Figure 1 shows the end of Dynasty 3 coincident with Joseph's rise to prominence in Egypt. This seems to imply either that Imhotep is not Joseph or that the chronology of the Old Kingdom should be shortened by about 50 years to bring its beginning closer to 2900 B.C.

Is Imhotep Joseph? - Biblical Chronologist

Imhotep, or "he who cometh in peace," was born in Ankhtowe, a suburb of Memphis. The month and day of his birth are noted precisely as the sixteenth day of Epiphi, third month of the Egyptian harvest, (corresponding to May 31), but the year is not definitely recorded.
