The legality of Library Genesis has been in question since 2015 because it allegedly grants access to pirated copies of books and paywalled articles, but the site remains standing and open to the public.

Manipulative Monkeys The Capuchins Of

Manipulative Monkeys takes us into a Costa Rican forest teeming with simian drama, where since 1990 primatologists Susan Perry and Joseph H. Manson have followed the lives of four generations of capuchins. What the authors describe is behavior as entertaining--and occasionally as alarming--as it is recognizable: the competition and cooperation, the jockeying for position and status, the peaceful years under an alpha male devolving into bloody chaos, and the complex traditions passed from one ...

Manipulative Monkeys: The Capuchins of Lomas Barbudal by ...

Non-specialists' familiarity with the manipulative monkeys of Lomas may come from Ross's pet capuchin in the TV comedy series Friends. Leaving aside the ethical questions raised by performing animals, Susan Perry and Joseph H. Manson's book reveals capuchins as having social lives as rich and as complex as those of Ross, Rachel and other humans.

Manipulative Monkeys — Susan Perry | Harvard University Press

Readers will likely agree with Susan Perry that capuchins are the most intelligent and fascinating of the New World monkeys. This fine book, in the tradition of Jane Goodall's "In the Shadow of Man" (1971), mixes rich descriptions of the personal lives of primates (in Goodall's case, chimpanzees) and of the primatologists.

Amazon.com: Customer reviews: Manipulative Monkeys: The ...

Reports of capuchins' tool use and elaborate foraging techniques date back 500 years, and the amazing ability of these animals to create and manipulate tools has been peppering obscure corners of the scientific literature ever since, though it has only come to the forefront of media attention in the past decade.
