After World War II a helmet that might have belonged to Joan was obtained by the New York Metropolitan Museum of Art. The helmet hung over the high altar of the church of Saint Pierre du Martroi in the City of Orleans and it is believed that it was a votive offering given by Joan for the healing of the wound that she received at the Tourelles.

The first part of the book, Traditional Medicine, includes chapters on Ancient, Medieval, Renaissance, and Enlightenment medicine. These serves as a preamble for the second part, Modern Medicine, which includes art, medicine and literature from the early 19th century to the end of the 20th century.
